

All-Mode Voice Services Terms and Conditions

The Customer named on the All-Mode Communications, Inc. Service Order Agreement (“SOA”) and All-Mode Communications, Inc., a New York corporation with its principal place of business located at 1725 Dryden Road, Freeville, NY 13068 (“All-Mode”) agree that the terms and conditions on the SOA, the terms and conditions on the All-Mode Voice 911 Disclaimer (“911 Disclaimer”) and these terms and conditions constitute the agreement (the “Agreement”) for the provision of the Services selected by Customer and designated on a SOA. Services may include All-Mode Communications, Inc Business and Hospitality commercial digital voice services, including enhanced voice, toll free and trunk services (“Voice”) (each a “Service” and collectively “Services”).

The terms and conditions in the “GENERAL TERMS AND CONDITIONS” section below are applicable to all Services. Additional terms and conditions apply to specific Voice Services, and should be reviewed in the “ADDITIONAL TERMS APPLICABLE TO VOICE SERVICES” section, as applicable.

GENERAL TERMS AND CONDITIONS

ARTICLE 1. DEFINITIONS

Affiliate: Any entity that controls, is controlled by, or is under common control with All-Mode.

Agreement: These terms and conditions, those on the 911 Disclaimer, and the SOA executed by Customer.

All-Mode Equipment / Provider Equipment: Any and all equipment or devices provided by All-Mode or its authorized contractors at the Service Location(s) that are used to deliver the Services. Inside telephone wiring, whether installed by All-Mode or not, shall not be considered All-Mode Equipment.

Confidential Information: All information regarding either party’s business which has been marked or is otherwise communicated as being “proprietary” or “confidential” or which reasonably should be known by the receiving party to be proprietary or confidential information. Without limiting the generality of the foregoing, Confidential Information shall include, even if not marked, the Agreement, all Licensed Software, promotional materials, proposals, SOAs, quotes, rate information, discount information, subscriber information, network upgrade information and schedules, network operation information (including without limitation information about outages and planned maintenance) and invoices, as well as the parties’ communications regarding such items.

Customer-Provided Equipment / CPE: Any and all facilities, equipment or devices supplied by Customer for use in connection with the Services.

Licensed Software: Computer software or code provided by All-Mode or required to use the Services, including without limitation, associated documentation, and all updates thereto regardless of where they are installed or reside.

Party: A reference to All-Mode or the Customer; and in the plural, a reference to both companies.

Service(s): The Toll Free, Trunk and Voice services provided by All-Mode to Customer described in one or more SOA(s). All Services are for commercial use only, except as otherwise expressly permitted

herein or in a mutually executed amendment to an SOA.

Service Commencement Date: The date(s) on which All-Mode first makes Service available for use by Customer. A single SOA containing multiple Service Locations or Services may have multiple Service Commencement Dates.

Service Order Agreement / SOA: A request for All-Mode to provide the Service to Service Location(s) submitted by Customer to All-Mode (a) on a then current All-Mode form designated for that purpose or (b) if available through an All-Mode electronic processing system designed for that purpose and the associated Terms and Conditions contained therein under which all Service orders are submitted to All-Mode.

Service Location(s): The Customer location(s) where All-Mode provides the Services.

Service Term: The duration of time (commencing on the Service Commencement Date) for which Services are ordered, as specified in an SOA.

Tariff: A federal or state All-Mode tariff and the successor documents of general applicability that replace such tariff in the event of detariffing.

Termination Charges: Charges that may be imposed by All-Mode if, prior to the end of the applicable Service Term (a) All-Mode terminates Services for cause or (b) Customer terminates services without cause. Termination Charges with respect to each terminated SOA shall be equal, in addition to all amounts payable by Customer in accordance with Section 5.3, seventy-five percent (75%) of the remaining monthly fees that would have been payable by Customer under the SOA if the Services described in the SOA had been provided until the end of the Service Term. In the event the Agreement is terminated as herein described during the initial Service Term, Termination Charges shall also include one

hundred percent (100%) of any amount paid by All-Mode in connection with Custom Installation, as that term is defined in Section 2.6, for the Services provided by All-Mode under the SOA.

ARTICLE 2. DELIVERY OF SERVICES

2.1 Orders: Customer shall submit to All-Mode a properly completed SOA to initiate Services to Service Location(s). An SOA shall become binding on the parties when (i) it is specifically accepted by All-Mode either electronically or in writing, (ii) All-Mode begins providing the Services described in the SOA or (iii) All-Mode begins Custom Installation (as defined in Section 2.7) for delivery of the Services described in the SOA, whichever is earlier. When an SOA becomes effective it shall be deemed to be part of, and shall be subject to, the Agreement.

2.2 Access: Customer, at no cost to All-Mode, shall secure and maintain all necessary rights of access to Service Location(s) for All-Mode to install and provide the Services, unless All-Mode has secured such access prior to this Agreement. In addition, Customer shall provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the All-Mode Equipment used to provide the Services within the Service Location(s). All-Mode and its employees and authorized contractors will require free ingress and egress into and out of the Service Location(s) in connection with the provision of Services. Upon reasonable notice from All-Mode, Customer shall provide all required access to All-Mode and its authorized personnel.

2.3 Service Commencement Date: The day the Services are activated, All-Mode shall notify Customer that the Services are available for use, and the date of such notice shall be called the "Service Commencement Date." Any failure or refusal on the part of Customer to be ready to

receive the Services on the Service Commencement Date shall not relieve Customer of its obligation to pay applicable Service charges.

2.4 All-Mode Equipment: All-Mode Equipment is and shall remain the property of All-Mode regardless of where installed within the Service Location(s), and shall not be considered a fixture or an addition to the land or the Service Location(s). At any time All-Mode may remove or change All-Mode Equipment in its sole discretion in connection with providing the Services. Customer shall not move, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any All-Mode Equipment or permit others to do so, and shall not use All-Mode Equipment for any purpose other than that authorized by the Agreement. All-Mode shall maintain All-Mode Equipment in good operating condition during the term of this Agreement; provided however, that such maintenance shall be at All-Mode's expense only to the extent that it is related to and/or resulting from the ordinary and proper use of the All-Mode Equipment. Customer is responsible for damage to, or loss of, All-Mode Equipment caused by its acts or omissions, and its noncompliance with this Section, or by fire, theft or other casualty at the Service Location(s), unless caused by the negligence or willful misconduct of All-Mode. Customer agrees not to take any action that would directly or indirectly impair All-Mode's title to the All-Mode Equipment, or expose All-Mode to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the Parties. Following All-Mode's discontinuance of the Services to the Service Location(s), All-Mode retains the right to remove the All-Mode Equipment including, but not limited to, that portion of the All-Mode Equipment located within the Service Location(s). To the extent All-Mode removes such All-Mode Equipment, it shall be responsible for returning the Service Location(s) to its/their prior condition, wear and tear excepted.

2.5 Customer-Provided Equipment: All-Mode shall have no obligation to install, operate, or maintain CPE as part of this agreement. Customer alone shall be responsible for providing maintenance, repair, operation and replacement of all inside telephone wiring and equipment and facilities on the Customer's side of any All-Mode provided interface. All Customer-Provided Equipment and wiring that Customer uses in connection with the Services must be fully compatible with the Services. Customer shall be responsible for the payment of all charges for troubleshooting, maintenance or repair attempted or performed by All-Mode's employees or authorized contractors when the difficulty or trouble report results from Customer-Provided Equipment.

2.6 Engineering Review: Each SOA submitted by Customer shall be subject to an engineering review by All-Mode. The engineering review will determine whether the facilities, cable plant, and/or internet connection have to be upgraded in order to provide the ordered Services at the requested Service Location(s), or whether Service installation has to be expedited to meet the Customer's requested Service Commencement Date ("Custom Installation"). All-Mode will provide Customer written notification in the event Service installation at any Service Location will require an additional one-time installation fee ("Custom Installation Fee") as a result of any work that has to be done to prepare a location for service. Customer will have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate, without further liability, the SOA with respect to the affected Service Location(s).

2.7 Administrative Web Site: All-Mode may, at its sole discretion, make one or more administrative web sites available to Customer in connection with Customer's use of the Services (each an "Administrative Web Site"). All-Mode may furnish Customer with one or more user identifications and/or passwords for use on the Administrative Web Site. Customer shall be responsible for the

confidentiality and use of such user identifications and/or passwords and shall immediately notify All-Mode if there has been an unauthorized release, use or other compromise of any user identification or password. In addition, Customer agrees that its authorized users shall keep confidential and not distribute any information or other materials made available by the Administrative Web Site. Customer shall be solely responsible for all use of the Administrative Web Site, and All-Mode shall be entitled to rely on all Customer uses of and submissions to the Administrative Web Site as authorized by Customer. All-Mode shall not be liable for any loss, cost, expense or other liability arising out of any Customer use of the Administrative Web Site or any information on the Administrative Web Site. All-Mode may change or discontinue the Administrative Web Site, or Customer's right to use the Administrative Web Site, at any time. Additional terms and policies may apply to Customer's use of the Administrative Web Site. These terms and policies will be posted on the site.

ARTICLE 3. CHARGES, BILLING AND PAYMENT

3.1 Charges: Customer shall pay All-Mode one hundred percent (100%) of any Custom Installation Fee prior to the installation of Service. Customer further agrees to pay all charges associated with the Services, as set forth or referenced in the applicable SOA(s) or invoiced by All-Mode. These charges may include, but are not limited to, installation charges, monthly recurring service charges, usage charges, including without limitation, charges for the use of All-Mode Equipment, per-call charges, and applicable federal, state and local taxes, fees, surcharges and recoupments (however designated). Some Services such as measured and per-call charges, (as explained below in the Voice Additional Terms)

may be invoiced after the Service has been provided to the Customer.

3.2 Third-Party Charges: Customer may incur charges from third-party service providers that are separate and apart from the amounts charged by All-Mode. These may include, without limitation, charges resulting from calls to parties who charge for their telephone based services, purchasing or subscribing to other offerings via the Internet or otherwise. Customer agrees that all such charges, including all applicable taxes, are Customer's sole responsibility. In addition, Customer is solely responsible for protecting the security of credit card information provided to others, in connection with such transactions.

3.3 Payment of Bills: Except as otherwise indicated herein or on the Service Order(s), All-Mode will invoice Customer in advance on a monthly basis for all monthly recurring service charges and fees arising under the Agreement. All other charges will be billed monthly in arrears. Customer shall make payment to All-Mode for all invoiced amounts within fifteen (15) days after the date of the invoice. Any amounts not paid to All-Mode within such period will be considered past due. If a Service Commencement Date is not the first day of a billing period, Customer's next monthly invoice shall include a prorated charge for the Services, from the date of installation to the first day of the new billing. In certain cases, All-Mode may agree to provide billing services on behalf of third parties, as the agent of the third party. Any such third-party charges shall be payable pursuant to any contract or other arrangement between Customer and the third-party. All-Mode shall not be responsible for any dispute regarding these charges between Customer and such third party. Customer must address all such disputes directly with the third party.

3.4 Partial Payment: Partial payment of any bill will be applied to the Customer's outstanding charges in the amounts and proportions as solely

determined by All-Mode. No acceptance of partial payment(s) by All-Mode shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

3.5 Payment by Credit Card: Payment may be made by credit card through the provided customer portal [<https://all-mode.simplelogin.net>], if one is provided for your account; or alternatively payments may be remitted to All-Mode Communications, 1725 Dryden Road, Freeville, NY 13068.

3.6 Credit Approval and Deposits: Initial and ongoing delivery of Services may be subject to credit approval. Customer shall provide All-Mode with credit information requested by All-Mode. Customer authorizes All-Mode to make inquiries and to receive information about Customer's credit history from others and to enter this information in Customer's records. Customer represents and warrants that all credit information that it provides to All-Mode will be true and correct. All-Mode, in its sole discretion, may deny the Services based upon an unsatisfactory credit history. Additionally, subject to applicable regulations, All-Mode may require Customer to make a deposit (in an amount not to exceed an estimated two-month's charge for the Services) as a condition to All-Mode's provision of the Services, or as a condition to All-Mode's continuation of the Services. The deposit will not, unless explicitly required by law, bear interest and shall be held by All-Mode as security for payment of Customer's charges. If the provision of Service to Customer is terminated, or if All-Mode determines in its sole discretion that such deposit is no longer necessary, then the amount of the deposit will be credited to Customer's account or will be refunded to Customer, as determined by All-Mode.

3.7 Taxes and Fees: Customer shall be responsible for the payment of any and all local, state, and federal taxes or fees (however designated). Customer will be responsible to pay

any Service fees, payment obligations and taxes that become applicable retroactively.

3.8 Other Government-Related Costs and Fees:

All-Mode reserves the right to invoice Customer for any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies in connection with the sale, installation, use, or provision of the Services, including, without limitation, applicable franchise fees (if any), regardless of whether All-Mode or its Affiliates pay the taxes directly or are required by and order, rule, or regulation of a taxing jurisdiction to collect them from Customer. These obligations may include those imposed on All-Mode or its Affiliates by an order, rule, or regulation of a regulatory body or a court of competent jurisdiction, as well as those that All-Mode or its Affiliates are required to collect from the Customer or to pay others in support of statutory or regulatory programs. For example, Voice customers are charged a monthly regulatory recovery fee to help defray All-Mode's contributions to municipal, state, and federal programs including, without limitation, universal service, telecom relay service for the visually/hearing impaired, and 911/E911 programs and infrastructure. This regulatory recovery fee is not a tax, and is not government-mandated. Taxes and other government related fees and surcharges may be changed with or without notice.

3.9 Disputed Invoice: If Customer disputes any portion of an invoice, Customer must pay the undisputed portion of the invoice and submit a written claim, including all documentation substantiating Customer's claim, to All-Mode for the disputed amount of the invoice by the invoice due date. The Parties shall negotiate in good faith to resolve the dispute. However, should the parties fail to mutually resolve the dispute within sixty (60) days after the dispute was submitted to All-Mode, all disputed amounts shall become immediately due and payable to All-Mode.

3.10 Past-Due Amounts: Any undisputed payment not made when due will be subject to a reasonable late charge not to exceed the highest rate allowed by law on the unpaid invoice. If Customer's account is delinquent, All-Mode may refer the account to a collection agency or attorney that may pursue the collection of the past due amount and/or any All-Mode Equipment that Customer fails to return in accordance with the Agreement. If All-Mode is required to use a collection agency or attorney to collect any amount owed by Customer or any unreturned All-Mode Equipment, Customer agrees to pay all reasonable costs of collection or other action. The remedies set forth herein are in addition to and not in limitation of any other rights and remedies available to All-Mode under the Agreement or at law or in equity.

3.11 Rejected Payments: Except to the extent otherwise prohibited by law, Customer will be assessed a service charge up to the full amount permitted under applicable law for any check or other instrument used to pay for the Services that has been rejected by the bank or other financial institution.

3.12 Fraudulent Use of Services: Customer is responsible for all charges attributable to Customer with respect to the Services, even if incurred as the result of fraudulent or unauthorized use of the Services. All-Mode may, but is not obligated to, detect or report unauthorized fraudulent use of the Services to Customer. All-Mode reserves the right to restrict, suspend or discontinue providing any Service in the event of fraudulent use by Customer.

ARTICLE 4. TERM

4.1 Agreement Term: This Agreement shall terminate upon the expiration or other termination of the final existing SOA entered into under this Agreement. The term of an SOA shall commence on the Service Commencement Date and shall terminate at the end of the stated Service Term of
v20220228a - Page 6

such Service. Unless otherwise stated in these terms and conditions, if an SOA does not specify a term of service, the Service Term shall be one (1) year from the Service Commencement Date.

4.2 Service Order Renewal: Upon expiration of the Service Term, this Agreement and each applicable SOA shall automatically renew for successive periods of one (1) year each ("Renewal Term(s)"), unless otherwise stated in these terms and conditions or prior notice of non-renewal is delivered by either Party to the other at least thirty (30) days before the expiration of the Service Term or the then current Renewal Term, or in the case of Louisiana Customers, notice of non-renewal is delivered to All-Mode within thirty (30) days following the expiration of the Service Term or the then current Renewal Term. Except as otherwise identified in this Agreement, at any time during initial Service Term and from time to time thereafter, All-Mode may increase the charges for Voice Services subject to thirty (30) days prior notice to Customer. Customer will have thirty (30) days from receipt of such notice to cancel the applicable Service without further liability. Should Customer fail to cancel within this timeframe, Customer will be deemed to have accepted the modified Service pricing.

ARTICLE 5. TERMINATION OF AGREEMENT AND/OR AN SOA

5.1 Termination for Convenience: Notwithstanding any other term or provision of this Agreement, Customer shall have the right to terminate an SOA, or this Agreement in whole or in part, at any time during the Service Term upon sixty (60) days prior notice to All-Mode, and subject to payment to All-Mode of all outstanding amounts due for the Service(s), any and all applicable Termination Charges, and the return of any and all All-Mode Equipment.

5.2 Termination for Cause: (a) If Customer is in breach of a payment obligation (including failure to pay a required deposit), and fails to make payment in full within ten (10) days after receipt of notice of default, or has failed to make payments of all undisputed charges on or before the due date on three (3) or more occasions during any twelve (12) month period, All-Mode may, at its option, terminate this Agreement, terminate the affected SOA, suspend Service under the affected SOA, and/or require a deposit, advance payment, or other satisfactory assurances in connection with any or all SOA as a condition of continuing to provide the Services. However, All-Mode will not take any such action as a result of Customer's non-payment of a charge that is the subject of a timely billing dispute, unless the parties have reviewed the dispute and determined in good faith that the charge is correct.

(b) If either Party breaches any material term of this Agreement without remedy for thirty (30) days after notice of default, the non-defaulting party may terminate for cause any SOA materially affected by the breach.

(c) An SOA may be terminated by either Party immediately upon notice if the other party has become insolvent or involved in liquidation or termination of its business, or adjudicated bankrupt, or been involved in an assignment for the benefit of its creditors.

(d) Termination by either Party of an SOA does not waive any other rights or remedies that it may have under this Agreement.

5.3 Effect of Expiration or Termination of the Agreement or an SOA: Upon the expiration or termination of an SOA for any reason: (i) All-Mode may disconnect the applicable Service; (ii) All-Mode may delete all applicable data, files, electronic messages, voicemail or other information stored on All-Mode's servers or systems; (iii) if Customer has terminated the SOA prior to the expiration of the Service Term for convenience, or if All-Mode has terminated the SOA prior to the expiration of the

Service Term as a result of material breach by Customer, All-Mode may assess and collect from Customer applicable Termination Charges; (iv) Customer shall permit All-Mode access to retrieve from the applicable Service Locations any and all All-Mode Equipment (however, if Customer fails to permit access, or if the retrieved All-Mode Equipment has been damaged and/or destroyed other than by All-Mode or its agents, normal wear and tear excepted, All-Mode may invoice Customer for the full replacement cost of the relevant All-Mode Equipment, or in the event of minor damage to the retrieved All-Mode Equipment, the cost of repair, which amounts shall be immediately due and payable); and (v) if used in conjunction with the terminated Service, Customer's right to use applicable Licensed Software shall automatically terminate, and Customer shall be obligated to return the Licensed Software to All-Mode.

5.4 Regulatory and Legal Charges: The parties acknowledge that the respective rights and obligations of each party as set forth in this Agreement upon its execution are based on law and the regulatory environment as it exists on the date of execution of this Agreement. All-Mode may, in its sole discretion, immediately terminate this Agreement, in whole or in part, in the event there is a material change in any law, rule, regulation, Force Majeure event, or judgment of any court or government agency, and that change affects All-Mode's ability to provide the Services herein.

ARTICLE 6. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES; WARNINGS

6.1 NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER OR NOT FORESEEABLE, OF ANY KIND INCLUDING BUT NOT LIMITED TO ANY LOSS OF REVENUE, LOSS OF USE, LOSS

OF BUSINESS OR LOSS OF PROFIT, WHETHER SUCH ALLEGED LIABILITY ARISES IN CONTRACT OR TORT, PROVIDED, HOWEVER, THAT NOTHING HEREIN IS INTENDED TO LIMIT CUSTOMER'S LIABILITY FOR AMOUNTS OWED FOR THE SERVICES, FOR ANY EQUIPMENT OR SOFTWARE PROVIDED BY ALL-MODE OR FOR EARLY TERMINATION CHARGES. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, THE ENTIRE LIABILITY OF ALL-MODE AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES, AGENTS, SUPPLIERS OR CONTRACTORS ("ASSOCIATED PARTIES") FOR LOSS, DAMAGES AND CLAIMS ARISING OUT OF THE DELIVERY OF THE SERVICES INCLUDING, BUT NOT LIMITED TO, DELAY IN THE INSTALLATION OF THE SERVICES OR THE PERFORMANCE OR NONPERFORMANCE OF THE SERVICES OR THE ALL-MODE EQUIPMENT SHALL BE LIMITED TO A SUM EQUIVALENT TO THE APPLICABLE OUT-OF-SERVICE CREDIT. REMEDIES UNDER THIS AGREEMENT ARE EXCLUSIVE AND LIMITED TO THOSE EXPRESSLY DESCRIBED IN THIS AGREEMENT.

6.2 THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT WITH RESPECT TO THE SERVICES, ALL-MODE EQUIPMENT, OR LICENSED SOFTWARE. ALL SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED TO THE MAXIMUM EXTENT ALLOWED BY LAW. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL-MODE DOES NOT WARRANT THAT THE SERVICES, ALL-MODE EQUIPMENT, OR LICENSED SOFTWARE WILL BE UNINTERRUPTED, ERROR-FREE, OR FREE OF LATENCY OR DELAY, OR THAT THE SERVICES, ALL-MODE EQUIPMENT, OR LICENSED SOFTWARE WILL MEET YOUR REQUIREMENTS, OR THAT THE

SERVICES, ALL-MODE EQUIPMENT, OR LICENSED SOFTWARE WILL PREVENT UNAUTHORIZED ACCESS BY THIRD PARTIES.

6.3 ALL-MODE MAKES NO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO THE SERVICES, ALL-MODE EQUIPMENT, OR LICENSED SOFTWARE FOR USE BY THIRD PARTIES.

6.4 IN NO EVENT SHALL ALL-MODE, OR ITS ASSOCIATED PARTIES, SUPPLIERS, CONTRACTORS OR LICENSORS BE LIABLE FOR ANY LOSS, DAMAGE OR CLAIM ARISING OUT OF OR RELATED TO: (i) STORED, TRANSMITTED, OR RECORDED DATA, FILES, OR SOFTWARE; (ii) ANY ACT OR OMISSION OF CUSTOMER, ITS USERS OR THIRD PARTIES; (iii) INTEROPERABILITY, INTERACTION OR INTERCONNECTION OF THE SERVICES WITH APPLICATIONS, EQUIPMENT, SERVICES OR NETWORKS PROVIDED BY CUSTOMER OR THIRD PARTIES; OR (iv) LOSS OR DESTRUCTION OF ANY CUSTOMER HARDWARE, SOFTWARE, FILES, OR DATA RESULTING FROM ANY VIRUS OR OTHER HARMFUL FEATURE OR FROM ANY ATTEMPT TO REMOVE IT.

6.5 DISRUPTION OF SERVICE: All-Mode shall not be liable for any inconvenience, loss, liability, or damage resulting from any interruption of the Services, directly or indirectly caused by, or proximately resulting from, any circumstances, including, but not limited to, causes attributable to the Customer or Customer-Equipment; inability to obtain access to the Service Locations; loss of use of pole or other utility facilities; strike; labor dispute; riot or insurrection; war; explosion; malicious mischief; fire, flood lightning, earthquake, wind, ice, extreme weather conditions or other acts of God; failure or reduction of power; or any court order, law, act or order of government restricting or prohibiting the operation or delivery of the Services.

6.6 Customer's sole and exclusive remedies under this Agreement are as expressly set forth in this Agreement. Certain of the above exclusions may not apply if the state in which a Service is provided does not allow the exclusion or limitation of implied warranties or does not allow the limitation or exclusion of incidental or consequential damages. In those states, the liability of All-Mode and its affiliates and agents is limited to the maximum extent permitted by law.

ARTICLE 7. INDEMNIFICATION

7.1 Subject to Article 6, each Party ("Indemnifying Party") will indemnify and hold harmless the other party ("Indemnified Party"), its affiliates, officers, directors, employees, stockholders, partners, providers, independent contractors and agents from and against any and all joint or several costs, damages, losses, liabilities, expenses, judgments, fines, settlements and any other amount of any nature, including reasonable fees and disbursements of attorneys, accountants, and experts, arising from any and all claims, demands, actions, suits, or proceedings whether civil, criminal, administrative, or investigative (collectively, "Claims") relating to: (i) any Claim of any third party resulting from the negligence or willful act or omission of Indemnifying Party arising out of or related to the Agreement, the obligations hereunder, and uses of Services, All-Mode Equipment, and Licensed Software; and (ii) any Claim of any third party alleging infringement of a U.S. patent or U.S. copyright arising out of or related to this Agreement, the obligations hereunder, and the use of Services, All-Mode Equipment, and Licensed Software.

7.2 The Indemnifying Party agrees to defend the Indemnified Party for any loss, injury, liability, claim, or demand ("Actions") that is the subject of Article 7 hereof. The Indemnified Party agrees to notify the Indemnifying Party promptly, in writing, of any Actions, threatened or actual, and to cooperate in

every reasonable way to facilitate the defense or settlement of such Actions. The Indemnifying Party shall assume the defense of any Action with counsel of its own choosing, but which is reasonably satisfactory to the Indemnified Party. The Indemnified Party may employ its own counsel in any such case, and shall pay such counsel's fees and expenses. The Indemnifying party shall have the right to settle any claim for which indemnification is available; provided, however, that to the extent that such settlement requires the Indemnified Party to take or refrain from taking any action or purports to obligate the Indemnified Party, then the Indemnifying Party shall not settle such claim without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, conditioned or delayed.

ARTICLE 8. SOFTWARE & SERVICES

8.1 License: If and to the extent Customer requires the use of Licensed Software in order to use the Service supplied under the SOA, Customer shall have a personal, non-exclusive, non-transferable, and limited license to use the Licensed Software in object code only and solely to the extent necessary to use the applicable Service during the corresponding Service Term. Customer may not claim title to, or an ownership interest in, any Licensed Software (or any derivations or improvements thereto) and Customer shall execute any documentation reasonably required by All-Mode, including, without limitation, end-user license agreements for the Licensed Software. All-Mode and its supplier shall retain ownership of the Licensed Software, and no rights are granted to Customer other than a license to use the Licensed Software under the terms expressly set forth in this Agreement.

8.2 Restrictions: Customer agrees that it shall not: (i) copy the Licensed Software (or any upgrades thereto or related written materials) except for emergency back-up purposes or as permitted by

the express written consent of All-Mode; (ii) reverse engineer, decompile, or disassemble the Licensed Software; (iii) sell, lease, license, or sublicense the Licensed Software; or (iv) create, write, or develop any derivative software or any other software program based on the Licensed Software.

8.3 Updates: Customer acknowledges that the use of the Services may periodically require updates and/or changes to certain Licensed Software resident in the All-Mode Equipment or Customer-Provided Equipment. If All-Mode has agreed to provide updates and changes, All-Mode may perform such updates and changes remotely or on-site, at All-Mode's sole option. Customer hereby consents to, and shall provide free access for, such updates deemed reasonably necessary by All-Mode.

8.4 Ownership of Telephone Numbers and Addresses: Customer acknowledges that use of the Service does not give it ownership or other rights in any telephone number or Internet/on-line addresses provided, including, but not limited to, Internet Protocol ("IP") addresses, e-mail addresses and web addresses.

8.5 Intellectual Property Rights in the Services: Title and intellectual property rights to the Services are owned by All-Mode, its agents, suppliers or affiliates or their licensors or otherwise by the owners of such material. The copying, redistribution, reselling, bundling or publication of the Services, in whole or in part, without express prior written consent from All-Mode or other owner of such material, is prohibited.

ARTICLE 9. CONFIDENTIAL INFORMATION AND PRIVACY

9.1 Disclosure and Use: All Confidential Information shall be kept by the receiving Party in strict confidence and shall not be disclosed to any

third party without the disclosing Party's express written consent. Notwithstanding the foregoing, such information may be disclosed (i) to the receiving Party's employees, affiliates, and agents who have a need to know for the purpose of performing this Agreement, using the Services, rendering the Services, and marketing related products and services (provided that in all cases the receiving Party shall take appropriate measures prior to disclosure to its employees, affiliates, and agents to assure against unauthorized use or disclosure); or (ii) as otherwise authorized by this Agreement. Each Party agrees to treat all Confidential Information of the other in the same manner as it treats its own proprietary information, but in no case using a degree of care less than a reasonable degree of care.

9.2 Exceptions: Notwithstanding the foregoing, each Party's confidentiality obligations hereunder shall not apply to information that: (i) is already known to the receiving party without a pre-existing restriction as to disclosure; (ii) is or becomes publicly available without fault of the receiving Party; (iii) is rightfully obtained by the receiving Party from a third Party without restriction as to disclosure, or is approved for release by written authorization of the disclosing Party; (iv) is developed independently by the receiving Party without use of the disclosing Party's Confidential Information; or (v) is required to be disclosed by law or regulation.

9.3 Remedies: Notwithstanding any other Article of this Agreement, the non-breaching Party shall be entitled to seek equitable relief to protect its interests pursuant to this Article 9, including, but not limited to, injunctive relief.

9.4 Monitoring: All-Mode shall have no obligation to monitor postings or transmissions made in connection with the Services, however, Customer acknowledges and agrees that All-Mode and its agents shall have the right to monitor any such postings and transmissions from time to time and to

use and disclose them in accordance with this Agreement, and as otherwise required by law or government request. All-Mode reserves the right to refuse to upload, post, publish, transmit or store any information or materials, in whole or in part, that, in All-Mode's sole discretion, is unacceptable, undesirable or in violation of this Agreement.

ARTICLE 9A. CUSTOMER PRIVACY POLICIES

9A.1 In addition to the provisions of Article 9, the privacy policy below applies to All-Mode's handling of Customer confidential information. In the event of a conflict between the provisions of Article 9 and any provision of the privacy policy below, the applicable provision of the privacy policy shall prevail in the resolution of the conflict. A copy of All-Mode's privacy policy is available at [<http://www.all-mode.com/legal.html>] (or any successor URL).

9A.2 Privacy Note Regarding Information Provided to Third Parties: All-Mode is not responsible for any information provided by Customer to third parties, and this information is not subject to the privacy provisions of this Agreement or the privacy policies. Customer assumes all privacy and other risks associated with providing personally identifiable information to third parties via the Services.

ARTICLE 10. PROHIBITED USES

10.1 Resale: Except as otherwise provided in the General Terms and Conditions, Customer may not sell, resell, sublease, assign, license, sublicense, share, provide, or otherwise utilize in conjunction with a third party (including, without limitation, in any joint venture or as part of any outsourcing activity) the Services or any component thereof.

10.2 Use Policies: Customer agrees to ensure that all uses of the All-Mode equipment and/or Services installed at its premises ("use") are legal and appropriate. Specifically, Customer agrees to ensure that all uses by Customer or by any other person ("user"), whether authorized by Customer or not, comply with all applicable laws, regulations, and written and electronic instructions for use. All-Mode reserves the right to act immediately and without notice to terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if All-Mode (i) determines that such use or information does not conform with the requirements set forth in this Agreement, (ii) determines that such use or information interferes with All-Mode's ability to provide the Services to Customer or others, (iii) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions for use. Furthermore, the Services shall be subject to one or more Acceptable Use Policies ("AUP") that may limit use, or (iv) reasonably believes that Customer's use of the Service interferes with or endangers the health and/or safety of All-Mode personnel or third parties. The AUP and other policies concerning the Services are posted on All-Mode's web site(s) at [<http://www.all-mode.com/legal.html>] (or any successor URL) or on another web site about which Customer has been notified, and are incorporated to this Agreement by reference. All-Mode may update the use policies from time to time, and such updates shall be deemed effective seven (7) days after the update is posted online, with or without actual notice to Customer. Accordingly, Customer should check the above web address (or the applicable successor URLs) on a regular basis to ensure that its activities conform to the most current version of the use policies. All-Mode's action or inaction in enforcing acceptable use shall not constitute review or approval or Customer's or any other users' use or information.

10.3 Violation: Any breach of this Article 10 shall be deemed a material breach of this Agreement. In the event of such material breach, All-Mode shall have the right to restrict, suspend, or terminate immediately any or all Service Orders, without liability on the part of All-Mode, and then notify Customer of the action that All-Mode has taken and the reason for such action, in addition to any and all other rights and remedies under this Agreement.

ARTICLE 11. SERVICE LEVEL AGREEMENTS (SLA)

All-Mode is committed to providing the highest level of Service to its Customers. The SLA defines the minimum Service expectations a Customer may expect from All-Mode. The remedies set forth in the SLA, which can be found at the All-Mode website at [<http://www.all-mode.com/legal.html>] (or any successor URL, "Website"), shall be the Customer's sole and exclusive remedy for any Service Interruption in the Services, outage, unavailability, delay or other degradation in the Services or any All-Mode failure to meet the objectives of the Services.

ARTICLE 12. INSURANCE

12.1 All-Mode shall maintain during the Initial Term or any Renewal Term commercial general liability insurance that covers its liability and obligations hereunder including property damage and personal injury.

12.2 The liability limits under these policies shall be, at a minimum, one million (\$1,000,000) dollars per occurrence, with a combined single limit for bodily injury and property damage liability.

ARTICLE 13. MISCELLANEOUS TERMS

13.1 Force Majeure: Neither Party shall be liable to the other Party for any delay, failure in performance, loss, or damage to the extent caused by force majeure conditions such as acts of God, fire, explosion, power blackout, cable cut, acts of regulatory or governmental agencies, unavailability of service or materials upon which the Services rely, or other causes beyond the Party's reasonable control, except that Customer's obligation to pay for Services provided shall not be excused. Changes in economic, business or competitive conditions shall not be considered force majeure events.

13.2 Assignment and Transfer: Neither Party shall assign any right, obligation or duty, in whole or in part, nor any other interest hereunder, without the prior written consent of the other Party, which shall not be unreasonably withheld. The foregoing notwithstanding, All-Mode may assign this Agreement to any affiliate, related entity, or successor in interest without Customer's consent. In addition, All-Mode may partially assign its rights and obligations hereunder to any party that acquires from All-Mode all or substantially all of the assets of a network(s) in which the Services are deployed to Customer. All obligations and duties of either Party under this Agreement shall be binding on all successors in interest and assigns of such Party.

13.3 Export Law and Regulation: Customer acknowledges that any products, software, and technical information (including, but not limited to, services and training) provided pursuant to the Agreement may be subject to U.S. export laws and regulations, and any foreign use or transfer of such products, software, and technical information must be authorized under those regulations. Customer agrees that it will not use, distribute, transfer, or transmit the products, software, or technical information (even if incorporated into other products) except in compliance with U.S. export

regulations. If requested by All-Mode, Customer also agrees to sign written assurances and other export-related documents as may be required for All-Mode to comply with U.S. export regulations.

13.4 Notices: Except as otherwise provided in this Agreement, any notices or other communications contemplated or required under this Agreement, in order to be valid, shall be in writing and shall be given via personal delivery, overnight courier, or via U.S. Certified Mail, Return Receipt Requested. Notices to Customer shall be sent to the Customer billing address; notices to All-Mode shall be sent to 1725 Dryden Road, Freeville NY 13068, Attn: Vice President of Operations, with an email copy to: voice@all-mode.com, Attn: Vice President of Operations. All such notices shall be deemed given and effective on the day when delivered by overnight delivery service or certified mail.

13.5 Entire Understanding: The Agreement constitutes the entire understanding of the Parties related to the subject matter hereof. The Agreement supersedes all prior agreements, SOAs, representations, statements, or understandings, whether written or oral, concerning the Services or the Parties' right or obligations relating to the Services. Any prior representations, promises, inducements, or statements of intent regarding the Services that are not expressly provided for in this Agreement are of no effect. Terms or conditions contained in any purchase order, or restrictive endorsements or other statements on any form of payment, shall be void and of no force or effect. Only specifically authorized representatives of All-Mode may make modifications to this Agreement or this Agreement's form. No modification to the form or this Agreement made by a representative of All-Mode who has not been specifically authorized to make such modifications shall be binding upon All-Mode. No subsequent agreement among the Parties concerning the Services shall be effective or binding unless it is executed in writing by authorized representatives of both Parties.

13.6 Tariffs: Notwithstanding anything to the contrary in the Agreement, All-Mode may elect or be required to file tariffs with regulatory agencies for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the Tariffs. Without limiting the generality of the foregoing, in the event of any inconsistency with respect to rates, the rates and other terms set forth in the applicable SOA shall be treated as individual case based arrangements to the maximum extent permitted by law, and All-Mode shall take such steps as are required by law to make the rates and other terms enforceable. If All-Mode voluntarily or involuntarily cancels or withdraws a Tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the Tariff immediately prior to its cancellation or withdrawal. In the event that All-Mode is required by a governmental authority to modify a Tariff under which Service is provided to Customer in a manner that is material and adverse to either party, the affected party may terminate the applicable SOA upon a minimum thirty (30) days' prior written notice to the other party, without further liability.

13.7 Construction: In the event that any portion of this Agreement is held to be invalid or unenforceable, the Parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the Parties, and the remainder of this Agreement shall remain in full force and effect.

13.8 Survival: The rights and obligations of either party that by their nature would continue beyond the expiration or termination of this Agreement or any Service Order, including without limitation representations and warranties, indemnifications, and limitations of liability, shall survive termination or expiration of this Agreement or Service Order.

13.9 Choice of Law: The domestic law of the state of New York shall govern the construction, interpretation, and performance of this Agreement, except to the extent superseded by federal law.

13.10 No Third Party Beneficiaries: This Agreement does not expressly or implicitly provide any third party (including users) with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege.

13.11 No Waiver: No failure by either party to enforce rights hereunder shall constitute a waiver of such right(s).

13.12 Independent Contractors: The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other Party. This Agreement shall not be interpreted to or construed to create an association, agency, joint venture, or partnership between the Parties or to impose any liability attribute to such a relationship upon either Party.

13.13 Article Headings: The article headings used herein are for reference only and shall not limit or control any term or provision of this Agreement or the interpretation or construction thereof.

ARTICLE 14. USAGE BILLING

14.1 Voice Service calling plans billed as a flat monthly fee may not include certain call types. These excluded call types will instead be charged on a per-call basis (e.g. operator services) or a measured basis (e.g. international calls). Generally, for billing purposes, a measured call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call.

14.2 Except as otherwise provided in these General Terms and Conditions, Voice Service measured calls are recorded in whole minutes, with partial minutes rounded up to the next whole minute. If the computed charge for a measured call or for taxes or surcharges includes a fraction of a cent, the fraction is rounded up to the nearest whole cent.

14.3 Notwithstanding anything to the contrary in this Agreement, some providers (e.g. those involved in calls to foreign countries) charge for a completed call when the called party's line rings or after a certain number of rings. If such a provider charges All-Mode or its Associated Parties, as if such a call were answered by the called party, All-Mode will charge Customer for a completed call. Voice Service, including Hospitality Voice Service, pricing lists and fees can be found at [\[http://www.all-mode.com/rates.html\]](http://www.all-mode.com/rates.html)

ARTICLE 15. USE POLICY

15.1 Additional Use Restrictions: Except as otherwise provided in the General Terms and Conditions, Voice Service may only be used at Service Location(s) where such service is installed by All-Mode. Customer understands and acknowledges that if Customer attempts to install or use the All-Mode Equipment or Voice Service at another location, Voice Service, including but not limited to 911/E911, may fail to function or may function improperly. It will be considered a material violation of this Agreement if Customer moves Voice Service to another location without first notifying All-Mode. Customer expressly agrees not to use Voice Service for auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting, or for any other use that results in excessive usage inconsistent with standard commercial calling patterns. If All-Mode determines, in its sole discretion, that Customer's use of Voice Service is excessive or in violation of this Agreement, All-Mode reserves the right, among other things, to terminate or modify Voice Service immediately and without notice.

ARTICLE 15A. SERVICE LIMITATION

15A.1 Disruption of Service: Customer acknowledges and understands that Voice Service will not be available for use under certain circumstances, including without limitation when the network or facilities are not operating or if normal electrical power to the voice service equipment is interrupted and such equipment does not have a functioning battery backup. Customer can lease an MTA from All-Mode, in which case it will be All-Mode Equipment. Or, in some areas and circumstances, All-Mode may permit Customer to use Voice Service with an MTA that Customer has purchased, in which case the MTA will be Customer Equipment. Customer agrees to keep the MTA plugged into a working electrical power outlet at all times.

CUSTOMER SHALL HOLD HARMLESS ALL-MODE AND ITS ASSOCIATED PARTIES AGAINST ANY AND ALL CLAIMS FOR DAMAGES CAUSED OR CLAIMED TO HAVE BEEN CAUSED, DIRECTLY OR INDIRECTLY, BY THE ERRORS AND OMISSIONS REFERENCED ABOVE. FURTHERMORE, IF ALL-MODE MAKES AVAILABLE DIRECTORY ADVERTISING SERVICES, NEITHER ALL-MODE NOR ANY OF ITS ASSOCIATED PARTIES WILL BE LIABLE

FOR ANY ACTS, ERRORS, OR OMISSIONS RELATED TO SUCH DIRECTORY ADVERTISING.

18.2 Customer Information: All-Mode and its suppliers reserve the right both during the term of this Agreement and upon its termination to delete Customer's voicemail, call detail, data, files or other information that is stored on All-Mode's or its suppliers' servers or systems, in accordance with our storage policies. Customer understands and acknowledges that All-Mode shall have no liability whatsoever as a result of the loss or removal of any such voicemail, call detail, data, files, or other information.

ARTICLE 18A. ADDITIONAL TERMS APPLICABLE TO TOLL FREE SERVICES

18A.1 Limitation: Subject to service availability, Customer may order Toll Free Services. Toll Free Services are not intended for residential use. In order to purchase and retain Toll Free Service with All-Mode, Customer must have Voice Services, and must map each Toll Free telephone number ("TFN") to a Voice Service telephone number ("Associated TN"). If Customer terminates an Associated TN at any time during the Toll Free Service term, Customer must immediately: (i) map the applicable TFN to another Voice Service telephone number on Customer's All-Mode account, (ii) purchase a new Voice Service telephone number to map the TFN to, (iii) port out the TFN to another Toll Free Carrier; or (iv) disconnect the TFN. 18B.1 Recommended Battery Backup is NOT Included: Customer acknowledges and understands that the Trunk Services use the electrical power from the Service Location.

Customer understands and acknowledges that they may lose access to and use of the Trunk Services, including 911/E911, if electrical power to the Integrated Access Device (IAD), PBX switch, ATA, MTA, ALG, and/or handsets is interrupted and such devices are not supported by a working battery backup. Customer also understands and acknowledges that All-Mode Voice Trunk services do not include battery backups for such All-Mode provided equipment and Customer is urged to arrange for their own backup power supply to these devices. In the event of a power outage, the duration of Trunk Service during a power outage using the All-Mode Equipment installed to provide Trunk Service will depend on the Customer's backup power choice. If the IAD is disconnected or removed and/or a battery is not charged, Trunk Service, including access to 911, will not be available. Customer acknowledges and agrees that in the event of a power failure, All-Mode bears no responsibility for such loss of service.

18B.2 Customer Responsibility for Telephone Equipment:

(i) Customer is solely responsible for providing and maintaining working PBX equipment and handsets (CPE), notifying and training its users regarding proper use of the system in accordance with applicable, including regulatory, requirements, and for any programming to its telephone system that may be necessary to enable direct dialing of X11 numbers such as 911 and to enable calls to be connected to new area codes. Customer also acknowledges and accepts that All-Mode does not support seven-digit local calling even in areas of the country that still permit that option, and Customer will program its system as necessary to support ten-digit dialing for local calls.

(ii) All-Mode shall not be responsible to the Customer if changes in any of the facilities, operations or procedures of All-Mode utilized in the provision of Trunk Service render any CPE or other equipment provided by a Customer obsolete or

require modification or alteration of such equipment or system or otherwise affect its use or performance.

(iii) Customer must arrange its CPE to provide for the interception of assigned but unused station numbers. A call intercepted by the attendant will be considered to be completed and subject to a charge for the call.

(iv) Customer acknowledges and agrees that Trunk Service is not compatible with alarm and security systems, certain medical monitoring devices, certain fax machines, and certain “dial-up” modems. Customer’s attempts to use any such systems in connection with Trunk Service is solely at its own risk and All-Mode shall not be liable for any damages whatsoever for any non-operation or damage to such services or devices.

Service calls invoiced on a per-minute basis will have an initial minimum call duration of one (1) minute, subsequent intervals of one (1) minutes each, and will be billed by rounding to the next whole minute. All other calls will be billed in accordance with the increments identified in the pricing lists and fees found at <http://www.all-mode.com/rates.html>. For purposes of this section, “domestic” means calls within the continental United States.

ALL-MODE RESERVES THE RIGHT TO INCREASE OR DECREASE RATE ON AT LEAST THIRTY (30) DAYS NOTICE. If any Regulatory Requirement has the effect of canceling, changing or superseding any material term with respect to the delivery of Service(s) (other than changes which are the subject of a rate increase as described in the foregoing sentence), then this Agreement will be deemed modified in such a way as the Parties mutually agree is consistent with the form, intent and purpose of this Agreement and is necessary to comply with the Regulatory Requirement. If the Parties cannot agree to modifications necessary to comply with a Regulatory Requirement within thirty (30) days after the Regulatory Requirement is effective, then either Party may terminate this Agreement and/or any Service(s) impacted by the Regulatory Requirement effective as of the date of such Party’s written notice to the other Party.

Customer acknowledges that service will not be ported or activated unless and until said LOAs are received by All-Mode.

19.11 Law Enforcement: Customer shall be responsible for responding to all requests from law enforcement or other governmental agencies, whether transmitted through All-Mode or directly to Customer regarding information about Customer's end users. Customer shall be responsible for complying with all Communications Assistance for Law Enforcement Act requirements and requests. Upon request by All-Mode or a New Local Service Provider ("NLSP"), Customer shall, on a timely basis, provide All-Mode and the NLSP with the Customer Service Record ("CSR") for any telephone number provided by All-Mode to Customer pursuant to this Agreement. Upon receipt of a Local Service Request ("LSR") from a NLSP or

a New Network Service Provider ("NNSP"), or from All-Mode on behalf of a NLSP or NNSP, Customer shall return a Firm Order Confirmation ("FOC") or, in the event the LSR contains any error, a rejection and error notification to All-Mode and the NLSP or NNSP within 24 hours unless the Customer receives the request on Friday, Saturday, Sunday or a national holiday, in which case Customer shall return the FOC or rejection and error notification to All-Mode and the NLSP or NNSP within 24 hours of 9:00 AM the next business day.
